Reisen für dich. Zu dir.

The Ouranos Club on Corfu has been very popular for many years and is frequently visited by returning guests and friends. It is located in the northwest of our lush green island, between the small villages of Arillas and Agios Stefanos, on a peninsula about 45 km from Corfu Town.

The path to the beaches therefore leads downhill, while the return is uphill. Some apartments require an uphill walk to the main building.

The OURANOS CLUB is not a closed holiday resort. The apartments and bungalows are rented out by several Greek owners. They are located in different houses, all within approximately a 15-minute walking distance. However, they are all situated directly next to the restaurant or the communal area.

Category 1

Small apartment for 1–2 people, one double bedroom, private shower/WC, balcony or terrace, refrigerator.

Category 2

Large apartment for 2–4 people, two double bedrooms, shared shower/WC, balcony or terrace, small kitchenette with refrigerator.

In general, all our rooms are located on the side facing the sea. Depending on the vegetation, some rooms offer sea views, while a few have unobstructed sea views. The rooms are divided into the price categories A, B, C, and D, which differ in size and age of furnishings. The older rooms are renovated as needed.

Furthermore, the rooms are divided into Category 1 (private bathroom) and Category 2 (apartments with two double bedrooms, a shared bathroom, and, where available, shared living areas).

The following pages of this PDF contain photos and brief descriptions of the rooms and apartments.
